## Next Session:

**July 12-18, 2015**

Space (at AstroCamp) is limited. [Sign up now](#) to reserve yours!

Download and share the [2015 AstroCamp flyer](#).

## It's camp, not school.

Our goal at AstroCamp is to get the kids to look up, to learn constellations and stars, and to find objects hidden within by using telescopes that they control. The majesty of the firmament awaits--but don't forget s'mores!

AstroCamp is a week-long astronomy feature integrated into the regular YMCA Camp Eberhart camping experience. By day, AstroCampers attend two of the regular four time slots of their choosing with other campers, and two time slots (Periods 3 & 4) dedicated to astronomy and telescope use. By night, when the rest of the YMCA campers retire to their cabins, the AstroCampers come out to Dave's House to begin a night of deep sky adventure.

Astronomy has been offered at YMCA Camp Eberhart for decades, but AstroCamp takes it to a new level. Check out the Astrocamp [Images](#) taken by staff since 2003, and see if you want to join the fun under the stars.

## Share your story.

Got a story to tell, either from AstroCamp or from stargazing afterward? Please share your story, either in the [Guestbook](#) or in an email to us.

## DISCOVER THE SPLENDOR OF THE UNIVERSE

**KIDS ASTROCAMP  
YMCA CAMP EBERHART**

Witness the splendor of the universe! AstroCampers spend periods #3 & #4 at Dave's House and at the Yarger Astronomy Center, then have a Stargazing Adventure each night under the dark skies by beautiful Conroy Lake. Register now for Week 5 at YMCA Camp Eberhart. AstroCamp spots are limited. AstroCamp is staffed by Experienced Astronomy Educators.

**DATES:** July 12-18, 2015  
**AGES:** 9-13 years  
**FEE:** Additional AstroCamp Fee \$70

"One of the premier astronomy adventures in the nation since 2003."

**QUESTIONS**  
YMCA Camp Eberhart  
10881 Camp Eberhart Road, Three Rivers, MI 49093  
Toll-free 888-922-6732 90.269.244.5125  
DE www.ycamp.org

Or speak with a 2015 AstroCamp Counselor...  
Chuck Butler 90.974.275.8130  
Saraa Drake 90.908.7102.0735  
Caitie Macke 90.574.274.8883  
DE www.astrocamp.us

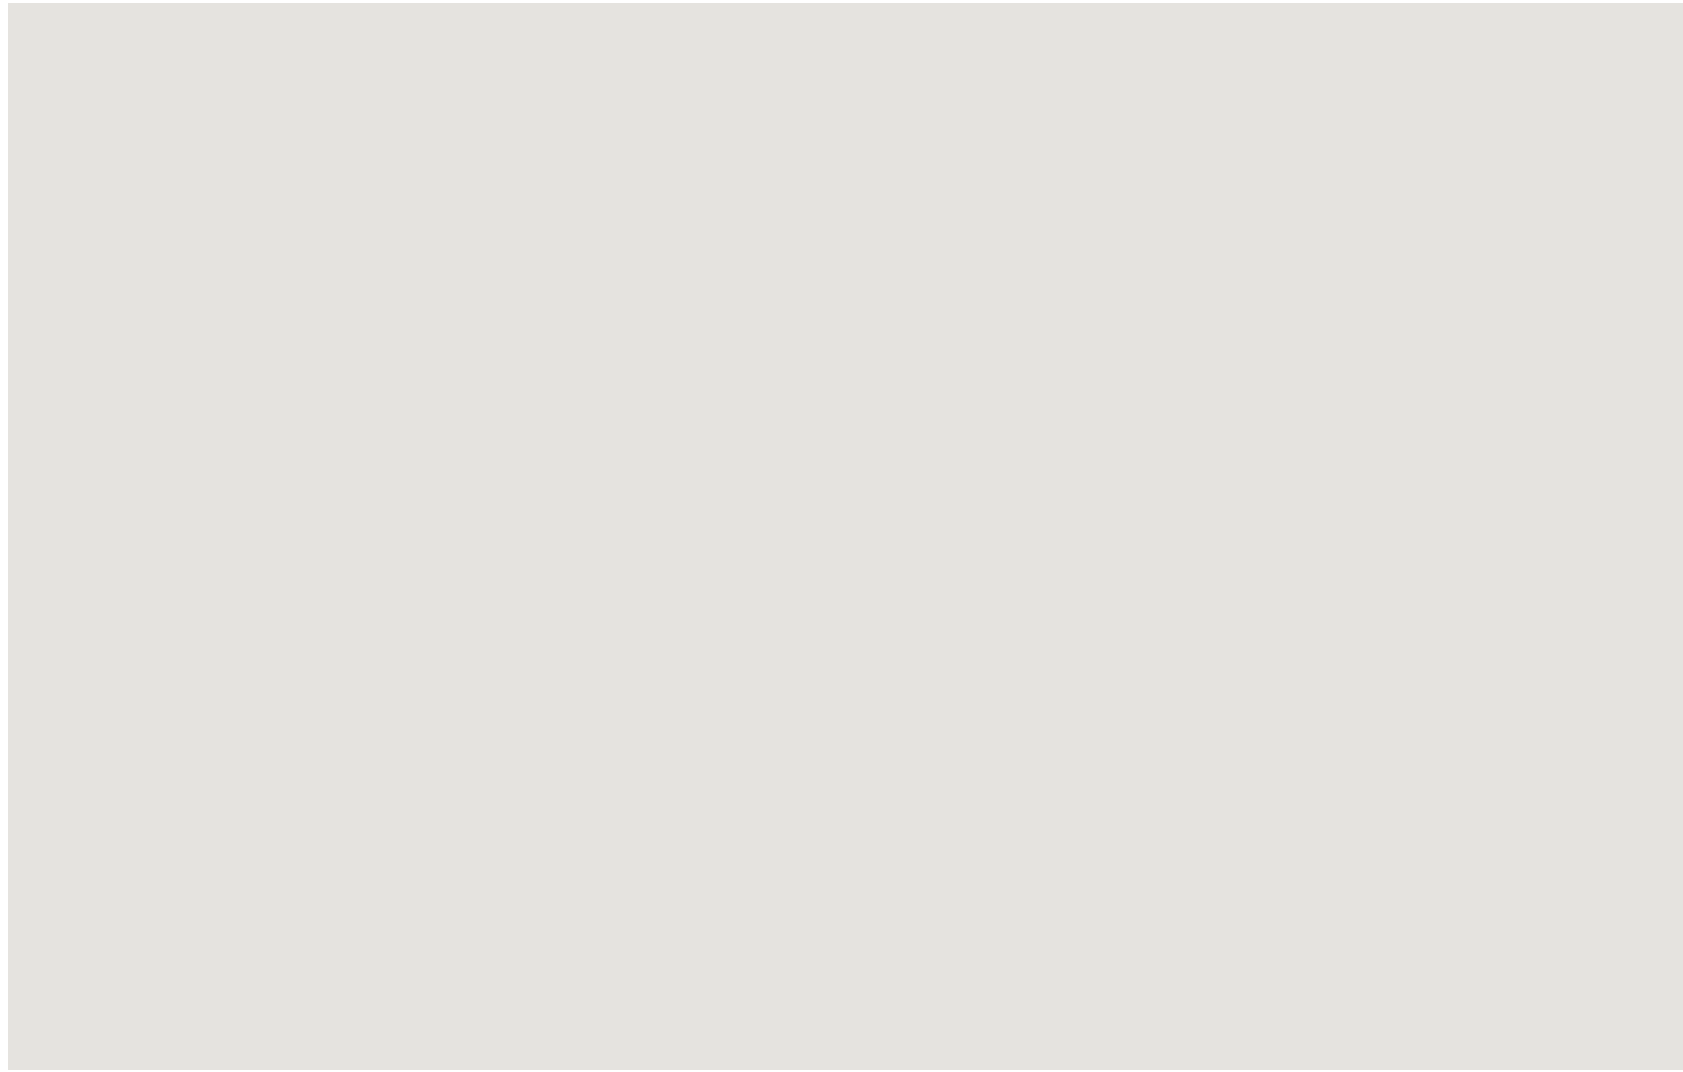

**TELESCOPES**  
Learn to use telescopes and practice by day...then target deep space objects at night.

**CAMP**  
Enjoy all of the AstroCamp highlights plus the regular lakeside fun at summer camp.

**FUN**  
Constellations, planetarium, telescopes, water rockets, guest astronomers, campfires, discovery.
