Tropical Overnighter

[Conservatory](#) [fundraiser](#) [equinox](#)

Launch your spring with a unique vernal equinox experience. A portion of the proceeds from [Tropical Overnighter in the Greenhouse](#) will benefit AstroCamp. The overnighter invites people to spend the night at the Potawatomi Conservatories in South Bend, IN, on March 21-22, 2014.

Chuck Bueter of AstroCamp will be leading astronomy-related activities, as suggested in a [March 6 blog post](#). The first 25 people to bring a

dish for the potluck on Friday will also receive a ticket to visit the new observatory and 16-inch telescope at nearby Indiana University-South Bend.

Space (the man-made kind) is limited, but you can [reserve your spot](#) online and pay the \$15.00 admission at the door.
