Images from 2013

For 2013 AstroCamp, clouds and heavy rain yielded to beautiful night skies later in the week.

In addition to the slideshow below, 2013 AstroCamp images are compiled in a [YouTube video](#) and more photos are at AstroCamp counselor Chuck's [set on Flickr](#).

Slideshow: 2013 AstroCamp

Log: What We Saw

Polaris A+B	M27-Dumbell Neb	Leo	Titan
