## PHM Planetarium & Air/Space Museum *Memorials*

 <p>The image shows a memorial display for Apollo One. At the top, a sign reads "IN MEMORY". Below it, there are several framed photographs and documents. One prominent photo shows the three Apollo 11 crew members: Neil Armstrong, Michael Smith, and Scottobaldin. Another photo shows the crew of Apollo One: Michael Smith, Scottobaldin, and Ronald Evans.</p>	Apollo One
 <p>The image shows a memorial display for the Space Shuttle Challenger. It features a central model of the shuttle orbiter on its external tank and solid rocket boosters. Surrounding the model are several framed photographs of the shuttle's crew and other related images.</p>	Challenger
 <p>The image shows a memorial display for the Space Shuttle Columbia. It features a group photo of the shuttle's crew in their orange flight suits. Below the photo, there are several framed photographs and documents, including one that appears to be a mission patch or a commemorative poster.</p>	Columbia
